## **May 9 through May 11, 2008**

### ***Informational Handout***

This annual event will run over the weekend of May 9-10-11, 2008 (yes, that's Mother's Day weekend) in Dorchester, Ontario, Canada - just east of London. This is the 19<sup>th</sup> year for this camporee and our Troop has attended almost every one of the last 13 years!!! This is a **great campout** and the scouts have a **great time** doing all the activities. There are over 3500 scouts and leaders already registered. Please check out their website at [www.dibc.on.ca](http://www.dibc.on.ca) for pictures and information on the campout.

The cost for this campout is \$45.00 and the deadline for signing up is Monday, April 28, 2008. Scouts should have enough money with them to have dinner on Friday on the road to Dorchester and also for lunch on the way back Sunday.

Scouts should be dropped off at the Fenton Collision parking lot on Friday night in time for us to depart at 4:00PM. Scouts should be picked up at this location at approximately 2:00PM on Sunday depending on check-out from camp and the border situation – a telephone notification will confirm the exact time.

Since this is an international event, border crossings have usually been quick and uneventful, but we're sure that traveling in the official uniforms with the proper paperwork has always helped speed this process. **"BEing PREPARED"** is always the best way to go and again this year, we will be requiring the following documentation.

- ❑ A valid passport.
- ❑ The **notarized** permission slip. If you are unable to get the permission slip notarized, we will have a notary available on April 28<sup>th</sup> for your convenience so make sure to have a picture ID available for the notary.
- ❑ Health insurance card. Please contact your insurance company to confirm out-of-country coverage in Canada which has recently changed their health care system.

Without exception, Scouts who show up at our meeting place without proper identification and in uniform will be sent home and not allowed to attend.

The weather is usually rainy, cold, and muddy, so please make sure to have proper rain gear (poncho, rain suits, water proof boots - athletic shoes **do not** keep your feet warm and dry) along with your normal camping equipment list as listed on our website. Don't forget your coat, hat, sleeping bag, pillows, clothes to sleep in, toothbrush and other personal gear, flashlights, mess kit with silverware and cup, alarm clocks, and **lots of excitement!!!**

If any scout requires medications to be administered during the camp, please keep them in the **original containers** and submit to Mr. Miller on Friday before leaving.

Mr. Miller will again be the tour leader for this campout and if you have any questions, please feel free to email him at [LMiller219@charter.net](mailto:LMiller219@charter.net) or call at 810-629-1418.
