

Troop 219 Committee

Meeting Minutes October 9, 2003

Attendees: John Waters, Dennis Weston, Dennis Cox, Larry Zimbler

The meeting was not held since there was not a quorum.

The following item was discussed.

Quartermaster - The black trailer is showing it's age and is in need of extensive repairs. It has been suggested that the trailer be sold. The troop use of the trailer is currently limited to moving Klondike derby sleds. It was felt that other options were available to move them. It was previously used to haul equipment before the troop obtained the gray and white trailers. It was also used to haul bikes before summer camp contingents grew to the current size and needed larger trailers.

Next meeting Thursday November 13. The following meetings will be December 11, January 8, February 12, March 11, April 8, May 13, and June 10.
