

Troop 219 Committee

Meeting Minutes November 13, 2003

Attendees: Doug Congdon, Dennis Cox, Larry Zimbler

The meeting was not held since there was not a quorum.

The following items were discussed.

Quartermaster - An ideal new covered troop trailer would be approximately 6' X 10' and able to be pulled by nominal vehicles such as trucks, vans, and SUVs to give us more flexibility in getting equipment to activities. IT would have double rear doors, a front side door, lights, and perhaps a vent. A tandem axle would also be nice, as it would reduce the tongue weight.

General - The council FOS campaign boycott should continue. There has been no change in the council attitude toward the Troop. We will send a letter to the troop families with the FOS cards giving them the option of contributing to the FOS or the troop.

Next meeting Thursday December 11. The following meetings will be January 8, February 12, March 11, April 8, May 13, and June 10.
