Advancement – 2 Tenderfoot, 4 Merit Badges

Quartermaster – We are still looking for a home for the equipment. John Waters will keep the trailers until after Summer Camp.

Program

- Pioneer campsite improvement at Camp Tapico included removal of several stumps and some site grading. A nonpotable wash water and grey water disposal station was installed to facilitate cleanup.
- Mike Adams and Larry Miller were at the Memorial Day Parade. There was a good turnout and the Scouts marched to Devon's cadence and looked sharp.
- Summer camp shakedown at Dr. Waters property. The scouts camped in the field and it was hot. They had a great time doing an Olympics. Swim checks for summer camp were held at the lake.
- Colleen will coordinate the Relay for Life flag ceremony.
- Summer Camp –
 - Parent meeting will be held at the church on June 27
 - A lengthy and healthy discussion on subject of summer camp menu was held. The following is a summary. John explained with handouts the goals of the summer camp menu. This menu will be similar to the menus that have been used for the outings for this year. The scouts have become more engaged in the selection of meals. Gary and Colleen expressed concerns that the scouts were constrained to foods that they will not like or eat. It was further stated that any menu for one week would not likely have long term health implications. The retort was that the health of scouts and the teaching of a healthy diet to our youth are important.
- July 4 parade and breakfast help is needed.
- Skill-o-Rama will be October 1, 2005

Other Items

- Communication to the troop and families will be by handout, Web, announcements and more use of the email. Information distribution needs to be improved.
- Buick Open help from the scouts is again requested through troop 335. Mr. Miller will have information. Slots may be limited, signed up early.

Next meeting will be in August. Adjourned at 9:40 pm
