- **Court of Honor MONDAY, SEPTEMBER 23, 2002**

The first Court of Honor for this Scout year will begin at 7:00 PM on Monday, September 23, 2002 in the sanctuary of the First Presbyterian Church. There are over 200 awards, merit badges, rank advancements, and presentations to make. ALL SCOUTS and their families are invited and encouraged to attend.

- **DATE CRITICAL – Trips to Rock & Roll Hall of Fame & Bluespring Caverns**

Part of the handouts and announcements last week tried to emphasize two planned events that have *critical dates* by when we need your input about participation. This reminder is to please review the information available about these two trips in particular: Rock & Roll Hall of Fame day trip scheduled for Saturday October 19th and the Overnight Adventure at Bluespring Caverns in early March of next year. Sign up tonight, or next week at the court of honor so that we can finalize the reservations with these places. The signup forms were distributed last week, they're also on the troop website and there **might** be some extras at the troop meeting.

- **Order of the Arrow – Fall Conclave**

The Order of the Arrow Fall Conclave starts this coming Friday night at Camp Holaka. If you were elected this past spring and did not go through the Ordeal during the Spring Conclave this past May, you must do it at this conclave or your election expires and you must stand for re-election if you want to become a member of Scouting's National Honor Society. At this point there is only one known Scout that fits this situation.

All Arrowmen from Troop 219 are strongly encouraged to attend. See the Scoutmaster if you will require transportation. At this point at least 4 adults are known/expected to be going. For those Arrowmen who did complete the Ordeal at the past Spring Conclave, this conclave will be a completely different experience.

- **Troop Committee Meeting**

The next troop committee meeting is Wednesday, September 18, 2002 at 7:00PM at the church.
