

# TROOP 219 HANDOUT

## Upcoming events:

### **Memorial Day Parade – May 30**

Meet at 8:30 at the Church and join in this annual event.

### **Summer Camp Shakedown – June 3, 4, & 5**

A campout to fine tune the summer camp contingent and prepare the scouts for the upcoming summer camp. There will be a **Court of Honor on Saturday** at this campout. Parents and family are welcome! This event is required if you plan to attend Summer Camp. It will be held at Dr. Waters Property on White Lake Road. Summer Camp swim checks will be done on Saturday afternoon.

### **Independence Day Parade - July 4**

We will again walk in the July 4 parade in Fenton. Meet at FIS. Time and details will follow.

### **Summer Camp July - 10 to 16**

Join the Troop for the banner event of the year. A week at beautiful Camp Tapico is the best way to spend a week of your summer! Don't forget to put the parent meeting on your calendar for Monday, June 27 at 7 at the Church.

### **Dorchester IBC (International Brotherhood Camporee)** Mr.

Miller reported that this was one of the best weather years in memory! Only a bit of rain in the evening and Saturday morning. The rest of the day was perfect and they were on the road well before 10 am on Sunday. We now have an X-rayed trailer courtesy of US Customs!

There was a very small turnout this year. Only four scouts and two adults attended. A great international scouting event – put it on your calendar for Mother's Day weekend next year!

### **Summer Camp**

Summer camp is coming up fast! If you are planning to attend and have not signed up see Mr. Miller. The costs are \$240.00 for Scouts and \$100.00 for Adults. This cost includes the Summer

Camp Shakedown Campout on June 3, 4, & 5 and everyone planning on attending Summer Camp is expected to attend this campout to work in patrols preparing, repairing, etc. the equipment for summer camp.

If any Scout wishes to attend camp, but is not able to for financial reasons, there is a limited amount of campership money available. Please see Mr. Miller or Mr. Cox to apply for campership funds.

### **Pioneer Campsite**

A hearty group of Scouts and Dr. Waters went to Camp Tapico last weekend to work on improving the Pioneer Campsite where we spend a week each summer. We look forward to the reports!

If any Adults are available to be a patrol mentor at the Troop meetings see Dr. Waters or Mr. Cox. Patrol mentors would help the patrol leaders and patrols by being an extra resource for them. The boys will run the patrol meeting, plan activities and lead the patrols. You will be there to help them over rough spots. Tentatively this commitment would be at the troop meetings from 7 to 7:30. We need parents to help the boys have a great program. Parents could share a patrol if they can't make it all of the time.

**Web site and Committee Meeting Minutes**

The Troop will post committee meeting minutes to the web - [www.troop219.org](http://www.troop219.org)  
Lots of other great information is also there. Health forms and Merit badge applications needed for summer camp are there waiting to be printed!

**Order of the Arrow**

Spring Conclave was just this weekend and the weather must have been spectacular! More information will follow.
