

# TROOP 219 HANDOUT

## October 2005

### **Skill-O-Rama Recap**

This years Skill-O-Rama saw great weather, maybe the best ever! Troops 219 and 212 did a great job of showing off to the cubs. This is a great opportunity to show the younger guys what lies ahead. Attendance was down a bit this year – perhaps the weather was too nice and there was some football game that day too. Sixteen Webelos brought a parent and spent the night. It is great to see them camping. Anyone interested in helping make the 10<sup>th</sup> Skill-O-Rama on September 30, 2006 the best ever let us know!
