### Summer Camp Swim Checks

The Fenton High School Pool has closed for remodeling and will not reopen until September 2008 (yes, that is September 2008).

Holly High School has open swim but their last Saturday is June 9, 2007 and that is too close to make a decision on. After June 9 the pool is open for OPEN SWIM on Wednesdays from 7-8:45 P.M. and Fridays from 6-8:45 P.M. The cost is \$2 per person, and people 14 and under must be accompanied by an adult. I have arbitrarily chosen the date of Wednesday, June 13, 2007 as the only date that summer camp swim checks will be conducted before summer camp. To be a #3 swimmer you must jump into water over your head, return to the surface and swim 75 yards freestyle (crawl stroke) or breast stroke or sidestroke or any combination of those strokes then swim 25 yards using the elementary backstroke (resting backstroke) and then float on your back for 1 minute. The 100 yard swim must be done continuously. A #2 swimmer must jump into water over their head, surface, swim 25 feet and then return to the starting point. A #1 swimmer is a non-swimmer. There is no test for a non-swimmer.
