## • Community Service Hours

Fenton Adopt-A-Pet will be having a fall clean up at their new location on Saturday, October 13, 2007. It will begin at 10:00 A.M. If you need community service hours and have nothing else to they could use help on that date. Wear clothes to work in and take gloves and perhaps some yard tools. If you participate please let me know how many hours you put in so that I might update TroopMaster. This is not a Troop activity but rather something I heard about at Church on Sunday.

## • Scoutmaster Junior Leader Training (SMJLT)

If you were elected or were appointed, to a leadership position, you were **expected** to attend the SMJLT Course on Saturday, October 6, 2007. We had a total of six Scouts in attendance. That is far short of the number of junior leader positions that we have. Mr. Zimble conducted the course once again and made some changes to make it mre interesting/meaningful to those participants who had gone through before. Our next session will be conducted using the new Troop Leader Training materials and possibly incorporating some of the old SMJLT materials into it. Newly trained Junior Leaders include: Jordan Dagenais, Chandler Hanson, Kyle Hanson, Travis Nolkemper, Jacob Seavey and Andrew Weston.

## • Service Hours Opportunity (Fenton Area C.R.O.P. Walk)

When I brought this activity up to the Patrol Leader's Council 6 weeks ago and that decided that we would help the C.R.O.P Walk committee I did not anticipate how many conflicts there would be. We ended up with Anthony Beldin, Matt Hommer, Max MacDonald, Shannon Schiess and Jacob Seavey as well as Mr. Hommer, Mr. Zimble and myself. The route was changed so they decided that they only wanted two water stations set up. Mr. Hommer and two Scouts staffed one and Mr. Zimble with two Scouts staffed the second while Shannon was allowed to leave for another commitment he had that afternoon. I was allowed the time to set up for the Court of Honor on Monday

## • Cabin Campout

We have a cabin campout scheduled for Friday, November 2, Saturday, November 3 and Sunday, November 4, 2007. We will be using the Health Lodge at Camp Holaka. While the primary theme will be an electronic campout we will also make ourselves available to the Camp Ranger if he has some work which me can do on Saturday afternoon. We will depart from the Fenton Collision parking lot at 6:00 P.M. on Friday and will return to the Fenton Collision parking lot by 11:15 A.M. on Sunday. You should have dinner before you arrive for our 6:00 P.M. departure for Camp Holaka. I may have to leave for the day on Saturday for Scouting University as I will be doing one of the presentations throughout the day. Matt Rybar will be leaving also to attend Lodge Education and Development Training at the same location. Permission Slip and Payment are due to be turned in by Monday, October 22, 2007. If you miss that turn in date you will not be able to register after that. We need to start getting a handle on events and activities so that we can properly plan for equipment and meals and whatever else it might take to make it a successful event or activity. Scouts may bring the equipment which the wish but no R or X rated games will be allowed. I am not even sure of the rating system but monitor what your Scout brings. Each Scout is responsible for their own equipment and you need to be respectful of other peoples equipment if you are given their permission to use it. **Fee is \$24.00 due to \$175.00 Rental of the facility.**

## • Webelos Den Visit

At least one 2<sup>nd</sup> year Webelos Den, from Pack 158, would like to visit a Troop Meeting. They have asked to visit on Monday, October 29, 2007. We will plan some activities that I feel we need to work on for the meeting time between 7:00 and 8:00 P.M. and then have a Halloween party which was already scheduled for that date. You will need to be in your official Scout Uniform for that evening even though we have a party for the last part of the meeting.
